"D. D. D.," the astonishingly effective new  
Skin disease prescription

Eczema, Salt Rheum, Barbers' Itch, Erysipelas—all eruptions, scaly diseases and parasitic affections of the skin positively cleared away in a hurry. A clean, pleasant liquid (non-greasy) externally applied—sponged or sopped over the parts. Instantly stops all irritation. Soon clears out absolutely all affected conditions.

(Here is a case cleared away with two bottles.)

(Case of daughter of Mr. Moss Hartman, permanently cured of a bad skin disease after two bottles only of this D. D. D. prescription.)

## We vouch for these facts.

They have been proven to us beyond the possibility of doubt.

HALL &amp; CHENEY, Morrisville, Vermont.

Some weeks ago the astonishing record of this prescription—proven to us by indisputable evidence—induced us to give it our unqualified recommendation to the public. Since then D. D. D. has cleared so many who obtained it from us that its record with us has been fully equal to its previous history. We have not seen a single instance of disappointment. It seems to do the work every time. In this class of skin diseases, the skin is not the skin, it is a diseased skin. Many purchasers of medicine, thinking they had a bad blood disease, have found it was merely a skin affection and have cleared it all away with this prescription.

Among all the known reliable specific medical influences for different ailments we know of very few discoveries so certain in effect as this D. D. D. prescription in its quick conquest of skin diseases of all kinds.

## A FEW CURES OF WELL-KNOWN PARTIES.

Chicago, April 7, 1902. "About six months ago my daughter began getting worse. Nothing seemed to do her any good, although we tried different medicines but without success. She would scratch continually and was a sight to look at. I was asked to try a bottle of your D. D. D. remedy, which I did, and to my surprise it worked wonders on her the second day, and before the bottle was empty she was almost cured. The second bottle completely cured her. I will highly recommend your remedy to any one suffering with skin disease; the D. D. D. cannot say enough for it." W. J. KLINKHAMER, 2001 Fillmore street.

"I am glad to say that the bottle of medicine furnished you in July last has been of great benefit to me. I am at ease from the annoyance heretofore suffered from itching in my ankles. I have also cured a friend of mine who had two or three spots on his face." W. J. KLINKHAMER, 2001 Fillmore street.

"That wonderful discovery, the D. D. D. remedy, cured me of a bad case of Eczema of long standing, which the physicians could not cure. I cheerfully recommend it to all persons afflicted with any kind of skin disease." C. E. WOODWARD, (Ex-Mayor), Cairo, Ill.

"I have been troubled for years with Eczema of the skin and tried a great variety of remedies and cures, with no apparent relief. Doctors were unable to benefit me in any way. A friend of mine gave me a bottle of your D. D. D. remedy to try. Before the contents of the first bottle were consumed, I am glad to say your remedy had proved entirely satisfactory. I take great pleasure in recommending it to all and everyone suffering from any disease of the skin." SHERMAN KRAMER, (A well-known Chicago business man.)

"The D. D. D. remedy cured me of Eczema-Rubor in two weeks. I had had it treated at Hot Springs, N. H., for six weeks. The hot waters irritated me and made me worse. My body was covered with eruption from head to foot." GEO. DEBERT, No. 250 4th St., Chicago.

"I got some kind of a skin disease in a barber shop and tried a great variety of your D. D. D. remedy and I must say it cleared my skin fine. I asked the druggist for a save and he says the D. D. D. would be the best thing for me. I thought the price was a little too much, but I ever have any kind of a skin disease again I am willing to pay ten times as much. I think it the best remedy in the world for any kind of a skin disease." Yours truly, FRANK W. KOLLE, 54 West Irving Park Boulevard, Chicago.

The preparation is being used by most of the skin specialists. It is compounded for druggists solely by the D. D. D. Company, 70 Dearborn Street, Chicago. It is utilized by every general family physician who has taken the trouble to investigate the work it is accomplishing. It is used in the Cook County Hospital, Chicago. If you have a skin disease visit the above agents and see proofs that will make you a happier human being. \$1.00 buys this prescription—already made up in sealed bottles—with authentic label on each. The above concerns will fill mail orders on receipt of price.

No. 285.—Metagram.

1. Orange peel cut thin. 2. Pestilence. 3. Standard. 4. That which is left. 5. To put in possession. 6. To make sport. 7. In the highest degree. 8. A collection of boxes. 9. A point of the compass.

No. 286.—Dry Water.

A ring or coin is thrown into a basin filled with water. The performer announces that he will take the article out of the water without wetting his hand.

Solution: Get a few cents' worth of lycopodium powder and strew it over the surface of the water. The hand when being immersed will have to go through the layer of powder. The powder clinging to the hand forms a sort of water tight cover. As the powder is invisible at some distance the performer can show his hand without fear of detection. The hand holding the object taken from the water will be absolutely dry.

This trick, if done with some cleverness, will not fail to be successful and entertaining.—New York Tribune.

Not Meant For Blowing.

"What's the matter with the rhinoceros these days?" inquired the lion. "It's all on account of that conceited monkey who came back from the circus recently," replied the hyena. "He told the rhinoceros that nobody amounted to anything nowadays unless he blew his own horn, and the rhinoceros has been breaking his back almost trying to blow his."

Fickle Mary.

Mary had a little calf;  
It was a pet, you know,  
And every time she rode her wheel  
The elly calf was bound to go  
Until it worried Mary so  
She would not out a-riding go!

## WOMEN'S WOES.

Hard for any woman to do housework—to attend to daily duties with a constantly aching back. Every woman should learn the cause of backache and the cure.

## Doan's Kidney Pills

relieve a bad back and cure it—cure every kidney and bladder disorder, from backache to diabetes.

Mrs. C. F. Goodnow, living at 143 Washington street, New Britain, Conn., says: "I gave a testimonial in December, 1899, touching the merits of Doan's Kidney Pills, and in the statement said that I had been bothered with my back and kidneys for over thirteen years, and generally settled in when I caught cold. It generally settled in my back, making it lame and sore. Often the pain through the small of my back was so severe as to make me cry out. I read about Doan's Kidney Pills, and procured some from E. W. Thompson & Co.'s drug store, on Main street. They helped my back immediately, and in a short time relieved me of the trouble. I have taken Doan's Kidney Pills at intervals during the last five years, when I felt an attack of backache coming on, and they always brought instant relief. I am never without them in the house."

Doan's Kidney Pills sold at all drug stores, 50 cents. Foster-McIlburn Co., Buffalo, N. Y.
